Vallée  
d'OSSAU  
PYRÉNÉES

This route will take you to the famous Soussouéou plateau and its ancient glacial valley. After a short cable car ride, enjoy a breathtaking view of the Pic du Midi d'Ossau! A long, sometimes undulating, sometimes technical descent takes you to the authentic Pont de Goua bridge. From there you drop into a new valley where the climb to the village of Fabrèges (at the bottom of the cable car) begins.
